On “*Lord, I have cried*”
“*Glory*” in the 6th tone

What cavern of the earth, what **lapse** of time, / O holy
Father **Her**_man, / can conceal thy glory which is in
hea_._.ven? / Wherefore, now glorifying, we fall down
before thee, / having thee as intercessor **before** the
Lord, / pray then to Him to grant deliverance to the
Rus_.sian land, / to this land **prosperity**, // and to *our*
souls great mer_cy.
